Applicant hereby disclaims the terminal part of any patent granted on the subject application that would extend beyond the respective expiration dates of commonly owned **U.S. Patent Nos. 6,573,164 and 6,613,143**.

Applicant hereby agrees that any patent so granted on the subject application shall be enforceable only for and during such period that the legal title to said patent shall be the same as the legal title to commonly owned **U.S. Patent Nos. 6,573,164 and 6,613,143**, this agreement to run with any patent granted on the above-identified application and to be binding upon Applicant, and its successors or assigns.

Applicant does not disclaim any terminal part of any patent granted on the subject application before the expiration date of the full statutory term of commonly owned **U.S. Patent Nos. 6,573,164 and 6,613,143** in the event that one or both of the patents later expire for failure to pay a maintenance fee, is held unenforceable, is found invalid, is statutorily disclaimed in whole or terminally disclaimed under 37 C.F.R. § 1.312(a), has all claims cancelled by a reexamination certificate, or is otherwise terminated prior to expiration of its statutory term as presently shortened by any terminal disclaimer, except for the separation of legal title stated above.

I, Vladimir A. Dmitriev, President of Technologies and Devices International, Inc., represent that I am a representative authorized to make this disclaimer on behalf of Technologies and Devices International, Inc. I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true, and further that these statements are made with knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001, Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.
